Founded in 2006 with a singular mission to mentor and nurture aspirants, **APTI PLUS** Academy has evolved into India's premier Civil Services training and research institution. Recognized with the prestigious "Best Civil Services Institute" award by the Times Group, we have shattered the myth that cracking the UPSC requires a stressful migration to Delhi.

Today, thousands of **APTI PLUS** alumni serve the nation across prestigious cadres including IAS, IPS, IFS, IRS, WBCS, and OAS.

The First to Bring Delhi to You

We proudly stand as the 1st Institute in Eastern India to bridge the geographical gap, bringing Delhi's renowned, top-tier faculty directly to our state-of-the-art campuses in Kolkata and Bhubaneswar.

Unmatched Trust & Scale

Recognized as the most trusted private coaching institution in Kolkata and Bhubaneswar, we are the preferred choice for over 1,000+ new students every year.

Pioneers of Integrated Learning

Recognizing the need for dual-security, we are the 1st Institute to successfully implement the UPSC + State PSC Integrated Batch, delivering consistent, proven results for 5 years in Odisha and 3 years in West Bengal.

Optional Subjects Foundation Program

The Optional Advantage: Your Rank-Defining Edge

In the UPSC Civil Services Examination, the Optional Subject is not just another paper—it is the decisive factor that separates selection from top ranks. Recognizing its critical importance, APTI PLUS brings to Eastern India what others cannot—a fully structured Optional ecosystem led by Delhi's most experienced faculty.

What Makes Our Optional Program Unmatched

Unlike many local institutes that lack dedicated expertise in Optional subjects, we provide subject specialists who have been mentoring aspirants for over a decade:

Anthropology

Mr. Neeraj Nachiketa

Sociology

Miss Shweta Singh

PSIR

Dr. Vivek Kaushik

Geography

Mr. Akhilesh Srivastava

5R Teaching Model: Recall + Relate + Reinforce + Revise + Replicate = CSE Readiness

Recall Start with memory jogs from previous sessions—reviving core concepts.

Relate Integrate current affairs with static portions—connect dots across the syllabus.

Reinforce Deep dive into a core GS topic—concepts, PYQs, case studies, structured notes.

Revise Rapid recall sessions after each module—strengthen memory and retention.

Replicate End with Workbook Practice—solve Topic wise Prelims and Mains PYQs using framework.
